

## 2010 MONTANA JAYCEES EXECUTIVE VICE PRESIDENT

Greetings from Your 2010 Executive Vice President! Montana Jaycees "Best Work of Life 2010" is the year.

Christy Owens here, I will be you Executive Vice President 2010. I am excited about this year and I hope you are too!

I became a member of the Havre Jaycees in 2000. I showed up to a few projects and found out it was pretty fun. I have had a chance to meet some real great people through this organization. I have held many offices on my local board, including chapter president 2006. I have served on the state board as the Membership Vice President 2007, Community Vice President 2008, and the Chaplain 2009. In 2007 I was awarded the state award, Gary Meyer Excitement Award.

I have several projects that I enjoy, one of my favorite projects is the Haunted House. It was one the first project that I ever chaired. I was a fairly new member of the Havre Jaycees when I was asked to chair this project. I jumped into the project and it was quite an overwhelming project but it was very rewarding. I also completed my first CPG (chairman planning guide). My Haunted House CPG placed #1 at the state level and was sent on to place # 4 at nationals. I also really like the Easter Egg Hunt, mainly because Easter is my favorite holiday.

I am married to Andy Owens your Membership Vice President. We have two boys, Hondo, 11 and Clint, 7, both of our boys are active Junior Jaycee members. Oh and we have a cat named Oscar or Cat and a fish named Tom! I enjoy being involved in the Jaycee organization and I am looking forward a great year.
