

“To give anything less than the best is to sacrifice the gift” – Steve Prefontaine

Hello: My name is Amanda Christofferson. I have been a Havre Jaycee since December of 2004. I am married to my best friend Randy and we have three dogs. We are licensed foster parents and hope to adopt a child in the next few years. I work as a prevention specialist with the Boys and Girls Club. I also serve as the Junior Staff and Career Launch Program Coordinator for teens.

The last seven months have been extremely trying for me and have changed me on many levels. My husband and I took in two kid's ages 6 and 7 for 7 months. It was a learning lesson for all of us. It helped me learn a lot about myself and my faith in god. I choose to put family first and let the Jaycees sit aside as I worked to help these two children in my care. After watching them leave my home it gave me a sense of reality and hope. FAMILY and FAITH are EVERYTHING. Whether or not you are a parent there are always people that need help, love and support, this is why I choose to step up as the Montana Jaycees Chaplain.

I encourage you all to do activities that help families in your area and do activities as a Jaycee Family to strengthen your bond. The Jaycees are a family in itself and are always there when you need them. Make sure to motivate and encourage your members at every gathering- whether it be a meeting, project or social.

Have a great year and call me for any questions!
