

## 2012 Montana Jaycees Secretary

Hi,

I'm Justin Wutzke and I'm looking forward to being your Montana Jaycees Secretary for 2012! I have been a member of the Jaycees for 2 years. I was one of the founding members of the re-established Billings Jaycees in September of 2009. I was the President of the Billings Jaycees for 2010 and was the creator of the Billings Jaycees newsletter. I'm currently the Senior Graphic Designer at Kinetic Marketing & Creative in downtown Billings, Montana. I love design and I have really enjoyed the networking opportunities the Jaycees have given me to expand my freelance and awareness of my skills within the community and the state. I've also really appreciated the friends I have made throughout my Jaycees experience as well as the individual and professional development I've received since I joined this organization. I've definitely grown as a person since I first joined the Jaycees 2 years ago.

The Secretary/Newsletter Editor of your local board is an extremely important position. Communication is key with this position.

It's our job to record communications amongst our organization and to get the word out about our chapters and our activities to our members both locally and state wide. I hope everyone is excited and ready to keep your local members and the state connected through great communication. Have fun with your positions and make it your own!

I'm looking forward to this upcoming year and working with everyone! Please, do not hesitate to contact me with any questions.
