

2011 TREASURER

I am your 2011 Train to Success Treasurer (and C.O.B.). My job is to ensure the money of the Montana Jaycees is recorded properly. I will be presenting the Montana Jaycees with a budget to approve at LOTS. As that budget is approved I will then present the Montana Jaycees with a Treasurer's Report at each state meeting and any time President Christy asks for a financial statement.

A large part of my job is to collect dues from chapters each month. I encourage chapters to keep their chapter dues paid current each month. Chapter Presidents know who they renew, then they turn in new members each month. Please mail a check for your monthly dues no later than three (3) days after the last membership day of the month.

Renewal Members = \$45.00

New Members = \$50.00

I will send chapter statements monthly. Please let me know if I have recorded your dues and payments incorrectly. I will be happy to go over your statement at any time, just give me a call.

I am also available to help local treasurers with their chapter budget process. Just let me know how I can help you.

Ready to board... 2011 Train to Success!
